This exceptional villa is designed with the best qualities, designed by the prestigious architecture studio González & Jacobson, who make this property a true work of art with materials that do not hide their essence, provide warmth and serve the architecture. In addition, the gardens of Be Lagom reflect Laura Pou's passion for landscaping, always in search of beauty, innovation and environmental responsibility. A way of life. Benahavís is an Andalusian village of whitewashed, classically Moorish streets leading to sunny squares. It is a favourite place to experience nature and luxury developments that have been meticulously blended into its natural setting, nestled with its golf courses in the Serranía de Ronda. Benahavís, founded by the Moors under the security of a 10th century fortress, is today a wonderful blend of tradition and modernity. A charming town with unlimited potential as a major tourist attraction.
