Pre-Launch Pricing / Payment Terms / Security

Depending on plot- (800-867m²) and total construction sizes (approximately 250-450m²) pre-launch pricing vary from 1.150.000€ - 1.550.000€.

Payment schedule:

Reservation Plot: refundable (max. 6 month until building license) deposit of 50.000€

Purchase Plot:

once building license is granted: 400.000€ (minus the deposit already paid)

During construction, you'll pay in instalments, up to 60% of the villa's total cost. These payments are legally guaranteed, protecting your investment. That's why we don't recommend 'Auto Promoción'.

Example: Turnkey Villa Solution 1.150.000€ (100%)

Plot reservation: 50.000€

Purchase of plot with project and building license: 350.000€

Instalments during construction: 290.000€

Balance at completion/notary: 460.000€ (40%)

Kindly note that 10% VAT is applicable to the previously stated prices. In contrast, purchasing a plot independently would incur 21% VAT.

Timeframes:

Building license for Showhouse 138 is granted, completion earliest within 12 months.

For the remaining homes, once you choose your plot, we're looking at 17 months total. That includes 2 months for the license application, 3 months (in Marbella this would take 12 month) until we receive the building license, and 12 months for construction.

CEO's final word:

This is your moment. La Paloma 10's unique design and concept are set for significant future appreciation. Once these villas are built, they'll be second-hand, more expensive, and you'll miss the chance to customize. Don't let that happen.
