Just a short distance from the picturesque village of Casares and less than a mile from the beach, this exclusive apartment seamlessly combines privacy and refinement with the lifestyle of a five-star resort. Conveniently located near Marbella, Puerto Banús, and Sotogrande, it offers a serene retreat while remaining connected to the most vibrant areas of the Costa del Sol.

An elegant entrance leads to a bright, open-plan living and dining area, where dark stone and wood create a sophisticated kitchen space. This thoughtful design is complemented by an independent laundry room. The living area extends to a large terrace with shaded areas for sunny days, a dining space, and a chill-out zone offering stunning views of the sea and the golf course.

The apartment includes three spacious en-suite bedrooms, each adorned with warm sand-toned Carrara marble bathrooms, complete with double sinks and showers. The master suite boasts a bespoke walk-in closet, a bathtub, and an immense window that opens directly onto the terrace. Characterful wooden finishes and high-quality materials throughout enhance the inviting atmosphere. The muted palette in sandy tones creates a warm aesthetic, harmonising beautifully with the natural surroundings.

Life extends beyond the apartment, offering access to five-star amenities in a setting of natural beauty. Set within a 215-hectare estate surrounded by untouched nature, the resort blends avant-garde design with traditional Andalusian charm.
